

NOTICE OF CITIZENS INFORMATIONAL WORKSHOPS  
FOR THE US 64 CORRIDOR STUDY BETWEEN US 1 IN CARY AND  
US 64 BUSINESS IN PITTSBORO

TIP Project No. R-4469

Wake & Chatham Counties

The North Carolina Department of Transportation (NCDOT), in partnership with the towns of Cary, Apex, and Pittsboro; Wake and Chatham counties; and the Capital Area Metropolitan Planning Organization (CAMPO), will hold two Community Workshops on the above study between the hours of 5:00 p.m. and 8:00 p.m. at the following locations:

- **Monday, April 27, 2009, Apex High School, 1501 Laura Duncan Rd, Apex, NC 27502**
- **Tuesday, April 28, 2009, Horton Middle School, 79 Horton Road, Pittsboro NC 27312**

The purpose of these workshops are for Study Team representatives to provide information, answer questions, and accept written comments regarding the planning study. The same information will be shared at both meetings and the public is invited to stop by anytime between 5:00 and 8:00pm.

The Study Team is developing long-term and short-term plans to guide development and improvements to enhance traffic flow and safety along the US 64 Corridor. The long-term plan proposes to upgrade the highway by converting some cross streets to interchanges or overpasses, further controlling access, and removing traffic signals from US 1 in Cary to US 64 Business in Pittsboro. The recommended plan is a combination of the alternatives presented at the first workshop in May 2008. Simulations illustrating the long-term recommendations will be shown. The short-term plan will also be presented; it proposes the creation of a "superstreet" by restricting through traffic and left turns from the cross streets, and constructing U-turns along the corridor to facilitate these movements. Additional information on the study can be found at [www.ncdot.org/~us64study](http://www.ncdot.org/~us64study).

Anyone wanting additional information may contact David Wasserman, 1501 Mail Service Center, Raleigh, NC 27699-1501, by phone at (919) 715-1273, fax at (919) 715-2858 or E-mail at [dswasserman@ncdot.gov](mailto:dswasserman@ncdot.gov).

NCDOT will provide Spanish language interpreters. NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in these workshops. Anyone requiring special services should contact Mr. Wasserman as early as possible so that arrangements can be made.
